# Overview

This report describes the function and services of Automotive Services and reviews activities and performances for FY21. It includes department along with personnel changes and news, work order and billing totals, vehicle information, and what's new for FY22.

# Our Mission

By providing expert knowledge, state-of-the-art equipment, and excellent customer service, Automotive Services will properly maintain department vehicles and thereby assist its customers in achieving their goals.

## Functions of Automotive Services and Services Provided

- 🚗 Responsible for maintaining University-owned vehicles, golf carts, trailers, and equipment.
- 🚗 Maintains and tracks service and repair history for work performed in-house and any outside vendor repairs, that is facilitated by Automotive Services.
- 🚗 Assist departments with vehicle purchases by helping them select vehicles that meet their needs. Upon delivery, Automotive Services inspects new vehicles and equipment for damage and confirms all options and specifications selected during purchasing are met.
- 🚗 Communicate with Property Inventory Management to ensure all required new vehicles and equipment are tagged with a University property number.
- 🚗 Works with Risk Management regarding the Driver Safety and Vehicle Management Program, and after damage to university vehicles, to communicate with insurance companies and obtain estimates.
- 🚗 Facilitates with departments and Fleet Services with the vehicle disposal process.

# Department Information and Employees

## Department Changes in FY21

On October 1, 2020, the Automotive Services labor rate increased from \$72.50 per hour to \$118.00 per hour. Automotive Services now charges all departments labor and markup on part and commercial charges.

August 2021 A.S. began adding a shop supply fee to most work orders.

## Vehicles

Automotive Services currently has two vehicles a 2003 Ford F250, S5747A, and a 2021 Ford F250 service body truck, S8133B. The 2020 Ford F150, S0256C, was transferred to Fleet on June 11, 2021, to be leased by Building Maintenance.

## Personnel

In FY21 there were no new hires. The Parts Coordinator position was vacant as of June 2021 and was filled in August 2021 by Erik Kimbrell, previously a Driver. Plans to fill the vacant Driver position have not yet been decided. In April 2021 Angel Driver, formerly the Program Assistant was hired in the new position, Automotive & Fleet Business Analyst.

Currently, Automotive Services has 11 full-time employees.
